Airtime FAQs

Term

- > Term is 12 months, and automatically renews for 2nd 12 months
- > Up to 6 months quiet time during 12-month duration

Quiet time

- > Satellite service suspension while the boat is not in use
- > Quiet time on Sailor 600 is \$300 per month, and quiet time on Sailor 900 is \$600 per month. During quiet time, you can keep your double unlimited USA 4G/5G sims active at current monthly pricing.
- > Quiet time requires 2 weeks advanced notice
- > Vessel can resume service before the end of the month

Plus up

- > Upgrades to the next level plan (i.e. 5-person plan to 10-person plan for \$300 per week)
- > Sold by the week and must be reserved at least 24 hours in advance before the start date
- > Can be combined with the next plus up to upgrade 2 levels or more
