STARLINK HIGH PRIORITY DATA PLANS

GLOBAL PRIORITY DATA

(Bahamas / Caribbean / offshore)

Activation: $200

PLAN ALLOWANCE	MONTHLY RATE
50 GB / month	**$265**
100 GB / month	**$365**
300 GB / month	**$603**
600 GB / month	**$855**
1,000 GB / month	**$1,150**
2,500 GB / month*	**$3,008**
5,000 GB / month*	**$5,150**
10,000 GB / month*	**$10,150**
15,000 GB / month*	**$15,150**
Unlimited	**$25,150**

Best for 60–200 ft yachts running Bahamas / Caribbean / offshore trips where owner and charter guests must stay online.

If you ever go over your plan: two safety nets

Option A – Keep full speed:
Stay opted in and pay $2 / GB until the 1st of the month.

Option B – Protect the trip, cap the bill:
Opt out of overages and you still get free "limp-home" data up to 1 Mbps down / 0.5 Mbps up until reset.

* Supports dual antennas sharing one plan on the same vessel.

★ **Recommended starting setup:** Global 300 GB + Remote Tech Phone Plan for 60–150 ft yachts running regular South Florida–Bahamas trips.

LOCAL PRIORITY DATA

(U.S. coastal & marina seasons)

Activation: $200

PLAN ALLOWANCE	MONTHLY RATE
50 GB / month	**$65**
500 GB / month	**$165**
1 TB / month	**$290**
2 TB / month	**$540**

Best for U.S. coastal cruising, marina seasons, and months when the boat rarely leaves U.S. waters.

Need more this month? Add 50 GB top-ups at $25 each through the end of the month.

Marine Connectivity, Simplified

All Starlink plans include account management, combined billing options, and full integration with MDS Blender and Peplink marine hardware.

! **Flexible by location:** We can switch your vessel between Global and Local Priority plans anytime based on where you're cruising.
