MARINE NETWORK ROUTERS

MDS BLENDER

MULTI-SOURCE

Hybrid Yacht Internet Control

Multi-source hybrid internet controller for the whole yacht. Up to 4 inputs (Starlink, LTE/5G, marina WiFi, VSAT) into one managed network with a US-based IP, plus bonding, automatic failover, firewalling, and remote management included.

CORE SERVICE	
Blender — Monthly	**$300 / mo**
Blender — Annually (12-mo commitment)	**$275 / mo**
ADD-ONS	
Yard Period Mode	**$150 / mo**
Cybersecurity License	**$200 / mo**

Best for: *owner-grade streaming and charter-grade reliability across Starlink + LTE/5G + marina WiFi.*

MDS US GATEWAY

SINGLE-SOURCE

Single-Source US-Based IP

Single-source US IP. Plug in one connection (Starlink or LTE/5G) and make it look like the yacht is in the USA — even when you're in the Bahamas.

MDS US Gateway	**$100 / mo**

One internet source per Gateway

Requires an existing data plan (Starlink or LTE/5G SIM)

Best for: *yachts that don't yet need full Blender multi-source control, but want US-based streaming and app access overseas.*

All services and fees are subject to applicable taxes, which will be added to the total at the time of billing.
